STUDENT SPEAKS

Arshavee Das
4th Year, B.Tech CSE (Cyber Security) - I am pursuing B.Tech CSE with Cyber Security. The curriculum is designed by academic and industry experts based on recent developments in Technology. The University provides opportunities for multiple live projects and internships programs in IT giants. The faculty members are extremely helpful.

Swaprativ Chaudhuri
2nd Year, Bachelor of Nautical Science - Ever since I stepped into this University, I knew this was the campus for me. The air was filled with a strong sense of pride and integrity. I knew that this was a place that I could eventually call home, my second Home. The faculty members are helpful and supportive.

Parthasarathy Khara
3rd Year, Agriculture - The 60-acre Campus is serene, with good hostels and great infrastructure. The Faculties are very good who help us whenever required. Other people in Campus are also very friendly, making this a home- away- from home. The academic curriculum is based on practical and field training. The department organizes guest lectures, workshops and seminars.
