

How to check Plagiarism at The Neotia University?

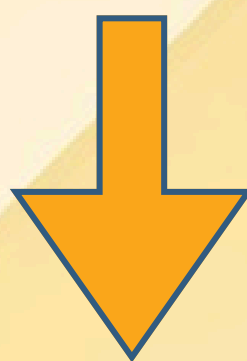

Mail the document to be checked for Plagiarism to the RDC office (rd@tnu.in)

RDC will run the document in the official plagiarism checking software of the University i.e. DrillBit (<https://www.drillbitplagiarism.com>)

DrillBit will check the document for plagiarism with respect to “Similarity”, “AI” & “Grammer”.

Once the report is generated, RDC will share the same with the concerned person through email only.

Note: Plagiarism must be below 10% (Similarity + AI) for all the documents.
