

Ref. No.: RO/ADM/NOTICE/F74-8834

Date: 21.11.2025

NOTICE

I am directed by the competent authority to notify the "**publication-honorarium policy**" of The Neotia University (TNU). You are advised to see the combinations that may be practiced while considering honorarium for a faculty member for publishing an article in favour of TNU.

1. The faculty member must be a regular faculty of TNU.
2. The faculty member must be a corresponding author/first author of the publication.
3. The faculty member acknowledges the affiliation of TNU in the publication clearly.

Publication in Category I

1. The article must be published in a national or international peer-reviewed journal.
2. The article must be a comprehensive research or review article or case study or short communication or letter to the editor.
3. The article must be published in a journal approved by the following regulatory bodies or equivalent body approved by the University:
 - a) Web of Science
 - b) Scopus
 - c) SCI/ESCI
 - d) NAAS
 - e) Australian Business Deans Council (ABDC)
4. The article published in the journal must have an impact factor proposed by a journal based on Clarivate.

The faculty member publishing articles by fulfilling all the above-mentioned criteria of **category I** may be supported by giving an honorarium of rupees 5000 against each publication.

Publication in Category II

1. The article must be published in a national or an international peer-reviewed journal.
2. The article must be a comprehensive research or review article or case study or short communication or letter to the editor.
3. The article must be published in a journal approved by the following regulatory bodies or equivalent body approved by the University:

- a) Web of Science
- b) Scopus
- c) SCI/ESCI
- d) NAAS
- e) Australian Business Deans Council (ABDC)

The faculty member publishing articles by fulfilling all the above-mentioned criteria of category II may be supported by giving an honorarium of rupees 2000 against each publication.

The concerned faculty member may approach the R&D Cell of TNU for the honorarium with a pdf of the publication adhering to the above-mentioned category (either category I or category II) completely. The R&D Cell shall express its observation in this regard and shall recommend the list of the selected publications to receive honorarium support.

P.S. Please note that the publication-honorarium policy has been approved by the R&D Cell on October 15, 2025. Publications before the mentioned date shall not be considered under this policy.
