## About the Courses

The **BBA LLB. (Hons.)** programme at the School of Legal Studies, The Neotia University, is a five-year integrated undergraduate course that blends business administration with legal education. The programme helps students develop a strong understanding of legal principles along with managerial and organizational skills essential for the corporate and legal sectors. The curriculum includes Business Administration subjects such as Organizational Behaviour, Financial Accounting, Business Strategy, Business Statistics, and Human Resource Management, combined with Core Law courses, Clinical Law papers, and electives like Media Law, Intellectual Property Rights, and Cyber Law. Students can choose honours specializations in Business Law, International Law, and Intellectual Property Rights.

The **BA LLB. (Hons.)** programme is a five-year integrated course combining law with humanities and social sciences. It provides students with a strong foundation in legal education along with subjects from the Arts stream, preparing them for diverse legal and policy-related careers. The curriculum includes Political Science, Sociology, and Economics alongside Core Law courses, Clinical Law papers, and elective subjects such as Media Law, Intellectual Property Rights, and Cyber Law. This interdisciplinary approach enhances analytical thinking and understanding of law in relation to society and governance.

## Career Pathways

**Lawyer | Corporate Legal Advisor | Judiciary | Civil Services | Academia | Compliance Officer**

Graduates of the School of Legal Studies at The Neotia University acquire a strong foundation in constitutional, civil, criminal, and corporate laws, along with advanced legal research, drafting, advocacy, and analytical skills. Through mootings, internships, court visits, and research-driven learning, students are prepared for diverse career pathways in litigation, corporate law firms, compliance and regulatory bodies, academia, policy research, legal consultancy, and judicial clerkships at national and international levels.

The LL.M. programme further strengthens subject specialization and critical legal scholarship, equipping students for advanced professional roles and leadership positions. It prepares graduates for doctoral studies (Ph.D.), judicial services examinations, UPSC and other competitive services, arbitration and mediation practice, policy advisory roles, and influential positions in the rapidly evolving global legal and governance landscape.

## About the Course

School of Legal Studies, The Neotia University, offers a two-year LL.M. Degree Programme. The LL.M. programme is organized around four semesters and has a duration of two years. With the help of a cutting-edge curriculum and innovative pedagogical approaches, it is meticulously designed to equip students with the skills and knowledge needed to navigate the intricate landscape of law. Our two-year LL.M. programme provides a unique blend of core and elective courses, allowing students to deepen their expertise in their preferred areas of interest and thrive in diverse fields such as academia, research, legal practice, policy making, and judicial services.

## Why LL.M. at The Neotia University?

The LL.M. degree at The Neotia University offers a dynamic blend of academic rigor, practical exposure, and research excellence designed to shape future legal scholars, policy thinkers, and industry-ready professionals. The programme emphasizes in-depth legal specialization, contemporary jurisprudential debates, and a strong research orientation aligned with emerging national and global legal frameworks.

With experienced faculty mentorship, an interdisciplinary and industry-relevant curriculum, skill-focused training in research and drafting, and ample opportunities for seminars, publications, and scholarly engagement, the programme equips learners with advanced legal insight, refined critical thinking ability, and the professional competence required to excel in academia, higher research, litigation, policy-making, arbitration, corporate advisory, and global legal practice.

## Career Pathways

Graduates of the LL.M. programme at The Neotia University (TNU) will be equipped with advanced legal expertise, research proficiency, and analytical skills that open doors to diverse professional pathways. The programme prepares students for careers in academia, litigation, corporate law firms, policy research organisations, international institutions, compliance roles, and legal consultancy.

With a strong emphasis on specialization, research, and practical experience, graduates are well-positioned to pursue doctoral studies (Ph.D.), judicial services, the Union Public Service Commission, arbitration practice, and leadership roles in the evolving global legal landscape.

## A Glimpse into the School of Legal Studies, The Neotia University.

### Department Highlights

## Internship & Placement:

The School of Legal Studies emphasizes practical exposure through internships and professional training. Students undertake internships with law firms, advocates, courts, corporate legal departments, NGOs, and public institutions. A mandatory component of our programme is the Summer Internship, where all our students go through robust internships under esteemed lawyers and at reputed law firms, NGOs, companies, etc.

Our students have interned with revered lawyers serving at the Supreme Court, Calcutta High Courts, and various District Courts in West Bengal, as well as at organizations such as the National Human Rights Commission, National Legal Service Authority, and various NGOs.

## Partnerships & Collaborations:

The School of Legal Studies maintains a strong and lasting relationship with its academic contemporaries and always strives towards establishing and maintaining a lasting and mutually beneficial relationship with the legal industry through Memorandum of Understandings (MoUs) with institutions such as Surendranath Law College, Kolkata; Biswajit Sarkar – IP Attorneys, Kolkata; S. Jalan & Company, Advocates, Kolkata; S. Pathak Associates, Delhi to name a few. Such collaborations open up avenues for research opportunities, Faculty Development Programmes, securing internships, and Pre-placement Offers (PPOs) for students, enhancing students' industry experience and network
